

## How Many Homes Did Your Website Sell Last Year?

AND

THE AVERAGE BUYER  
VISITS 27 WEBSITES  
BEFORE VISITING  
**ONE**  
SALES CENTER!

### Why?

Because purchasing a home is the single biggest purchase that most people will make. The internet brings everything right to their fingertips. Your website is a critical business tool! It's your front line... Your head of marketing... The first thing that your prospect is going to see...

*It has to communicate with your customer and the messages that will make them want to buy from you.*

### Site Features

- Integration with Constellation Homebuilder Software
- Live Chat
- Mobile Website
- Easily edited forms
- Automatic Lead Response
- Full-featured Content Management

*Flexible payment plans available... including new monthly payments.*

### Self-Updating Web Site
